Notes on Fiscal Year to Date (FYTD) 2009: FY 2009 vacancy data as of 8/01/09. Data reflects FTEs.

"Filled PINS" includes workers on long-term sick leave.

*Vacancies as of June 30 for FY 2002-FY 2009.

**Caseload in this context represents total households that receive TCA, FSP, TDAP and/or Community MA, LTC-MA or SSI-MA.

While there are households that receive more than one of these benefits, the number provides a reasonable representation of the increase in overall workload. We say this because the total LDSS workload includes applications received but denied, interim changes, EAFC and flex fund grants, TCA and FSP work activities and other programs not included, such as MCHP Medical Assistance and PAA.
