StateStat website, November 24, 2009

**Agency:** DJS

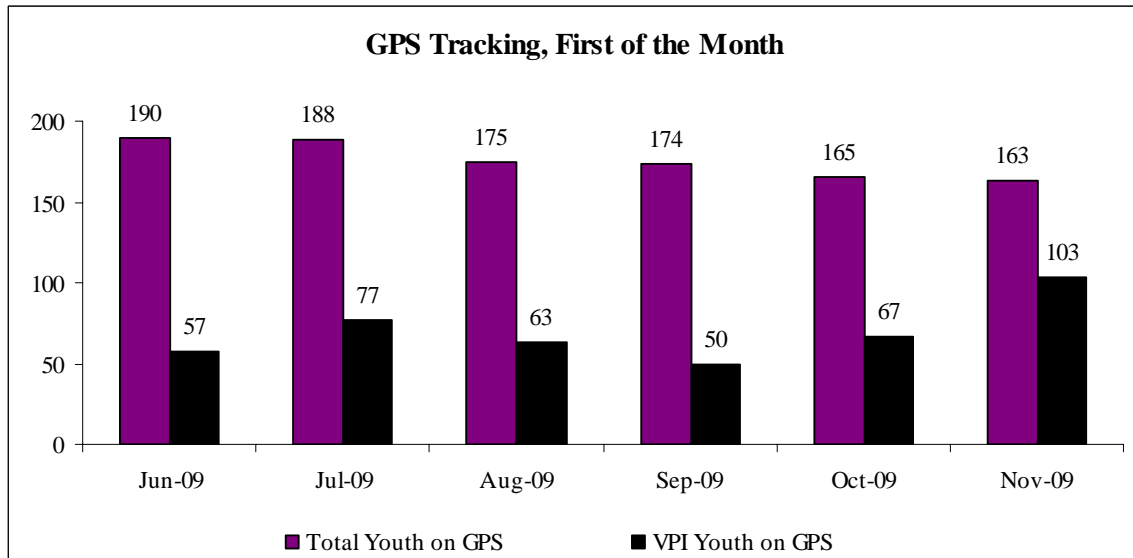

**Date of Meeting:** November 24, 2009

**Template:**

Following is a summary of issues discussed at the DJS Stat on November 6, 2009. Analysis is provided by StateStat and the Governor's Delivery Unit (GDU).

**General Discussion**

- **GDU Items.** The GDU (Governor's Delivery Unit) discussed GPS integration and the progress that DJS is making on finding a new vendor for GPS devices.

- **H1N1.** DJS provided an update on H1N1 vaccinations in their facilities and the process of which youth are handled once they obtain H1N1. DJS also reported that they are very well prepared as far as vaccinations at their facilities and that vaccinations are available to both youth and staff who wish to obtain them.
- **Out-of-State Placements.** DJS discussed youth who are in out-of state placements and what is done in terms of aftercare once these youth return to Maryland.

**Out-of-State Placement, June 2009-October 2009**
