

Meeting Summary  
StateStat website, March 10, 2010

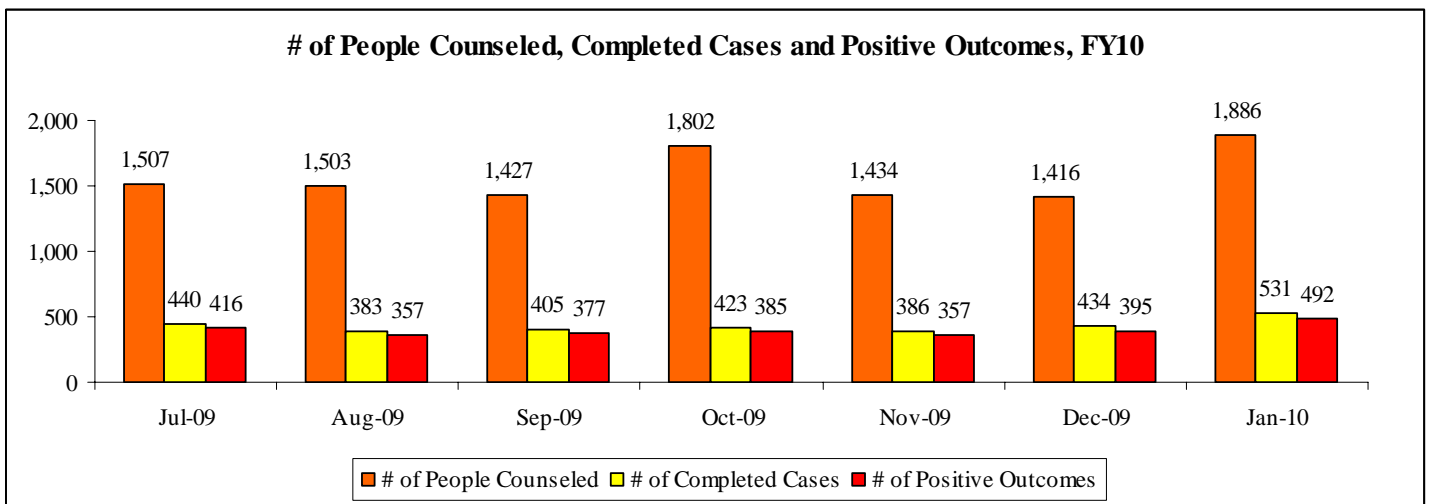

**Agency:** DHCD

**Date of Meeting:** February 25, 2010

Following is a summary of issues discussed at the DHCD Stat on February 25, 2010. Analysis is provided by StateStat and the Governor’s Delivery Unit (GDU).

**General Discussion**

- **Counselor Outcomes.** DHCD reported that the number of people counseled, number of completed cases and number of positive outcomes under the HOPE program all reached FY2010 highs in January. The agency has made foreclosure prevention a top priority, and hopes to supplement their foreclosure prevention efforts by sponsoring legislation (SB 276/HB 472) to ensure protection of homeowner pre-foreclosure rights.

- **Deep Energy Retrofit Project.** DHCD announced that the Bay Ridge Apartments in Annapolis were selected for the Deep Energy Retrofit Project. Deep Energy Retrofits provide improved insulation through wall-thickening and other improvements, and result in significant savings. The agency also announced that the Bay Ridge Apartments applied for financing through the New Issue Bond Program, and that financing should close in late spring.
- **Weatherization Training.** Weatherization training continues at community colleges across the state. 343 workers have been trained since July 6, 2009, including 56 in auditor training. DHCD announced that the 56 trained auditors will be required to attend an “Advanced Building Envelope” training in early April. Training sessions will be offered at both Baltimore City Community College and Frederick Community College.

## State of Maryland Weatherization Training Schedule (2/1/10)

Date	Location	Training	# Trained	Completed
July 6-10	Community College of Baltimore County	Crew Member Tactics I	12	√
