Following is a summary of issues discussed at the DJS Stat on February 26, 2010. Analysis is provided by StateStat and the Governor’s Delivery Unit (GDU).

General Discussion

- **Evidence-Based Services (EBS).** DJS discussed the plan to shift slots from Baltimore City to Prince George’s County so that more clients can gain access to Evidence-Based Services. DJS will also train individuals as soon as possible so that more service providers can be available for youth and families.

- **Pending Placement.** DJS was asked to discuss the rising number of youth pending placement and DJS stated that they will use the above mentioned Evidence-Based Services to lower these rates.

Pending Placement, June 09-Jan. 10
