\* Note: "Pending Admission": Youth who have been

1. Determined to be appropriate for treatment based upon the provider's admission criteria;
2. Accepted by the provider and assigned to a therapist; and
3. Either contacted by the provider and waiting for the first visit/session or are in the process of being contacted by the provider to schedule the first visit/session.

Please note that treatment has not begun for these youths. Their families need to consent to treatment. The providers still have the opportunity to not admit them, if the provider discovers information that makes the family's referral inappropriate or if there are other reasons for non-admission (e.g. parents unwilling, parents unavailable, youth involved in a conflicting service).
